

YUINMERY AIRCORE DRILLING PROGRAM COMMENCING 10 JANUARY 2026

SUMMARY

Empire Resources Limited (ASX: ERL; “Empire” or the “Company”) is pleased to announce the commencement of a ~1900m (39 hole) air core (AC) program at the Company’s Yuinmery Copper-Gold Project.

The AC drilling follows earlier drilling and ongoing field assessments conducted by the Empire management team at Yuinmery. Several prospects including YT19-YT01, YT12, YT13, YT14, Smiths Well and Microbe Well in particular were highlighted in recent soil and rock chip sampling results¹.

The program is expected to take 10 days to complete.
