## Hartshead enters into binding Scheme Implementation Deed with ACAM

### Highlights:

- Hartshead Resources NL has entered into a binding Scheme Implementation Deed with ACAM for the acquisition of 100% of the Company
- Shareholders will receive A\$0.014 cash per Fully Paid Share, representing a 133% premium to the last closing price of A\$0.006 and a 114% premium to the 30-day VWAP, and A\$0.0007 cash per Partly Paid Share
- The Scheme Consideration implies a fully diluted equity value for Hartshead of approximately A\$40 million<sup>1</sup>
- This all-cash offer provides shareholders with certainty of value and liquidity, avoiding the significant risks and uncertainties associated with the execution of the development of the UK Southern Gas Basin assets, including the related regulatory and funding requirements
- The Hartshead Directors unanimously recommend that shareholders vote in favour of the Scheme, in the absence of a Superior Proposal and subject to the Independent Expert concluding that the Scheme is in the best interests of shareholders
- The Hartshead Directors, who hold voting power of 10.27% in Hartshead in aggregate,<sup>2</sup> intend to vote all the Hartshead Shares held or controlled by or on behalf of them in favour of the Scheme, in the absence of a Superior Proposal
- Subject to Hartshead shareholders approving the Scheme and the other conditions being satisfied (or, if applicable, waived), Hartshead currently expects that the Scheme will be implemented in the 1<sup>st</sup> half of calendar year 2026

Hartshead Resources NL (ASX: HHR) ("Hartshead" or the "Company") is pleased to announce that it has entered a binding Scheme Implementation Deed ("SID") with ACAM GP Limited, as general partner of ACAM LP ("ACAM"), under which it is proposed that ACAM will acquire 100% of the issued share capital of Hartshead by way of a Court-approved scheme of arrangement under Part 5.1 of the *Corporations Act 2001* (Cth) ("Scheme").

<sup>1</sup> Based on 2,808,682,128 Fully Paid Shares, 5,703,550 Partly Paid Shares and 15,000,000 options on issue. Under the SID, the 32,500,000 performance rights currently on issue will lapse or otherwise be cancelled for no consideration upon the Scheme becoming legally effective.

<sup>2</sup> Based on 2,808,682,128 Fully Paid Shares and 5,703,550 Partly Paid Shares on issue, with each Partly Paid Share granting the holder an entitlement to 1/20<sup>th</sup> of a vote (which is proportionate to the amount paid up on those Partly Paid Shares). Subject to rounding.

Under the terms of the Scheme, Hartshead shareholders will receive A\$0.014 in cash for each fully paid ordinary share ("Fully Paid Share") and \$0.0007 for each partly paid share ("Partly Paid Share") they hold on the Scheme record date ("Scheme Consideration"), valuing the Company's fully diluted equity at approximately A\$40 million.<sup>1</sup>

The Scheme Consideration represents a premium of 133% to Hartshead's last closing price of A\$0.006 per Fully Paid Share on ASX as at 22 December 2025 and a 114% premium to the 30-day volume weighted average price ("VWAP") of Fully Paid Shares traded on ASX to 22 December 2025 of \$0.0065.

The Directors of Hartshead unanimously recommend that shareholders vote in favour of the Scheme, in the absence of a Superior Proposal (as defined in the SID) and subject to the Independent Expert concluding that the Scheme is in the best interests of shareholders. Further, the Hartshead Directors, who hold voting power of 10.27% in Hartshead in aggregate,<sup>2</sup> intend to vote all the Fully Paid Shares and Partly Paid Shares (together, "Shares") held or controlled by or on behalf of them in favour of the Scheme, in the absence of a Superior Proposal.

#### **TRANSACTION DETAILS**

If the Scheme is approved and implemented, each Hartshead shareholder on the register at the Scheme record date will receive a cash payment of A\$0.014 for each Fully Paid Share held.

A\$0.0007 cash will be paid for each Partly Paid Share held on the Scheme record date, being 1/20<sup>th</sup> of the consideration payable for each Fully Paid Share, which is proportionate to the amount paid up on those Partly Paid Shares.

The Scheme Consideration implies a fully diluted equity value for Hartshead of approximately A\$40 million.<sup>1</sup>

The all-cash offer provides shareholders with certainty of value for their investment in Hartshead and near term liquidity, mitigating the significant risks and uncertainties associated with the execution of the development of the UK Southern Gas Basin assets, including the related regulatory and funding requirements.

Full details of the conditions to the Scheme are set out in the SID, a copy of which is attached to this announcement.

#### **HARTSHEAD BOARD RATIONALE AND RECOMMENDATION**

The Board of Directors of Hartshead ("Board") has considered the proposal extensively and has unanimously concluded that the Scheme is in the best interests of Hartshead shareholders.

The Directors recommend that shareholders vote in favour of the Scheme for the following key reasons:

- Significant premium: The Scheme Consideration represents a 133% premium to pre-announcement trading levels of Fully Paid Shares on ASX.
- Certainty of value: The 100% cash Scheme Consideration provides certainty of value, removing exposure to the significant development and funding risks and uncertainties inherent in bringing the Phase I development of the P2607 licence to production.
- Avoidance of dilution: The Scheme allows shareholders to realise value for their investment in Hartshead at a premium without the risk of potential future equity dilution associated with raising capital for development costs.

**Hartshead CEO, Mr Chris Lewis, commented**

“The Scheme delivers certainty for our shareholders at a premium that reflects the quality of our UK Southern Gas Basin assets. While we remain confident in the technical merits of the P2607 project, the timeline and capital required to reach first gas involve significant execution and funding risks in the current market. This all cash offer validates the work our team has delivered to date and provides a secure, derisked pathway for investors to realise value for their investment, rather than navigating the uncertainties of future development and potential dilution.”

**Hartshead Chairman, Mr Bevan Tarratt, commented**

“The Board has carefully considered ACAM’s proposal and unanimously recommends it as a compelling outcome for Hartshead and its shareholders. This transaction crystallises value for our shareholders at a significant premium, effectively de-risking their investment.”

**DETAILS OF THE SCHEME IMPLEMENTATION DEED (SID)**

The SID provides for the implementation of the Scheme, which is subject to several conditions precedent, including but not limited to:

- Hartshead Shareholder Approval: Approval by Hartshead shareholders at a Court-convened Scheme Meeting.
- Court Approval: Approval by the Supreme Court of Western Australia.
- Independent Expert: The Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Hartshead shareholders.
- Regulatory Approvals: Receipt of all necessary regulatory consents and approvals, including from ASIC and the North Sea Transition Authority (“NSTA”).
- Hartshead Resources Ltd (“HHR UK”): No disposal of Hartshead’s interest in HHR UK, no disposal of HHR UK’s interest in Production Licence No. P2607 and certain other conditions relating to that licence and its ownership.

- Other customary conditions: No restraints, no material adverse change and no prescribed occurrence in respect of Hartshead.

The Scheme is not subject to any financing condition.

A copy of the SID is attached to this announcement.

#### **Exclusivity and break fee**

The SID contains customary exclusivity provisions including "no shop", "no talk", and "no due diligence" restrictions, as well as notification obligations and matching rights in the event of a competing proposal.

A break fee is payable by Hartshead to ACAM in certain circumstances as set out in the SID.

#### **INDEPENDENT EXPERT**

The Board will appoint an Independent Expert to assess whether the Scheme is in the best interests of shareholders. The Independent Expert's Report, including a valuation of Hartshead, will be included in the Scheme Booklet.

#### **INDICATIVE TIMETABLE AND NEXT STEPS**

Shareholders do not need to take any action at this stage.

A Scheme Booklet containing further information relating to the Scheme, the Independent Expert's Report and the Notice of Meeting, is expected to be sent to shareholders in early 2026 for the Scheme Meeting. Shareholders will have the opportunity to vote on the Scheme at the Scheme Meeting.

An indicative timetable for the Scheme is set out below:

- First Court Hearing: Late February 2026
- Despatch of Scheme Booklet: Late February 2026
- Scheme Meeting: Late March 2026
- Second Court Hearing: Early April 2026
- Effective Date: Early April 2026
- Record Date: Early April 2026
- Implementation Date: Mid April 2026

Note: These dates are indicative only and subject to change.

### 3.7. Scheme voted down

If the Condition in clause 3.1(h) is not satisfied by reason only of the Headcount Test not being satisfied and Hartshead Resources or ACAM considers (acting reasonably) that:

- (a) there are reasonable grounds on which an application could be made for an order of the Court under section 411(4)(a)(ii)(A) of the Corporations Act to seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied, including but not limited to either party considering that Share Splitting or other improper conduct is reasonably likely to have caused or contributed to the failure of the Headcount Test; and
- (b) the application contemplated in clause 3.7(a) is more likely than not to succeed,

then that party may give written notice to the other party within five Business Days after the date of the conclusion of the Scheme Meeting requiring that an application of the kind contemplated in clause 3.7(a) be made.

### 3.8. Consultation on Conditions not capable of being fulfilled

- (a) If:

  - (ii) a circumstance occurs with the result that a Condition is not capable of being fulfilled and, if the Condition is able to be waived by a party under

clause 3.2, the party does not waive the Condition by the earlier of the time or date specified in this deed for its satisfaction and 11:59pm on the End Date; or

(iii) the Scheme does not become Effective by 11:59pm on the End Date,

Hartshead Resources and ACAM must promptly consult reasonably and in good faith with a view to determining whether:

(iv) the Scheme may proceed by way of alternative means;

(vi) to change the date of the application to be made to the Court for orders under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed by the parties (being a date no later than five Business Days before the End Date); and/or

(vii) to extend the End Date.

(b) Subject to clause 3.8(c), if Hartshead Resources and ACAM are unable to reach agreement under clause 3.8(a) after consulting for a period of not less than five Business Days (or any shorter period ending at 5:00pm on the day before the earlier of the End Date or the Second Court Date), then unless the relevant Condition (where capable of waiver) is waived:

(i) in relation to the Conditions in clauses 3.1(a), 3.1(d), 3.1(g) and 3.1(h), either ACAM or Hartshead Resources may terminate this deed by giving the other party notice without any liability to any party by reason of that termination alone;

(ii) in relation to the Conditions in clauses 3.1(b), 3.1(c), 3.1(f), 3.1(i), 3.1(j), 3.1(k), 3.1(l) and 3.1(m), ACAM may terminate this deed by giving Hartshead Resources notice without any liability to any party by reason of that termination alone; and

(iii) in relation to the Condition in clause 3.1(e), Hartshead Resources may terminate this deed by giving ACAM notice without any liability to any other party by reason of that termination alone.

(c) A party will not be entitled to terminate this deed pursuant to clause 3.8(b) if the relevant Condition has been breached or not been satisfied as a result of:

(i) a breach of this deed by that party; or

(ii) a deliberate act or omission of that party (either alone or together with any other circumstances).

### 3.9. Interpretation

For the purposes of this clause 3, a Condition will be incapable of satisfaction, or incapable of being fulfilled if there is an act, failure to act or occurrence that will prevent the Condition being satisfied by the End Date (and the breach or non-fulfilment that would otherwise have occurred has not already been waived in accordance with this deed).

## 8.5. Hartshead Resources permitted activities

The obligations of Hartshead Resources under clauses 8.1, 8.4 and 8.3 do not apply in respect of any matter that:

- (a) is expressly required or permitted by a Transaction Document or the Hartshead Resources Expenditure Plan;
- (b) is required by any applicable law or Governmental Authority;

- (c) has been Fairly Disclosed in the Due Diligence Material;
- (d) is taken as a necessary and integral part of obtaining or maintaining insurance coverage for the Hartshead Resources Group (or any member of the Hartshead Resources Group) or the business conducted by the Hartshead Resources Group (or any member of the Hartshead Resources Group) if in the reasonable opinion of Hartshead Resources, such insurance is required in the ordinary course of Hartshead Resources' business and consistent with past practice;
- (e) is required to respond, on a prudent basis, to an emergency or a disaster (including a situation giving rise to a risk of personal injury or significant damage to property) and it is impractical to seek the approval of ACAM prior to giving effect to the response; or
- (f) ACAM has provided its prior written consent to.

## 8.6. Access

- (a) From the date of this deed up to and including the Implementation Date, Hartshead Resources must, and must procure that each other member of the Hartshead Resources Group does, subject to clause 8.6(b):

  - (ii) procure that a representative of ACAM is entitled to attend each such operating committee meeting and each such sub-committee meeting;
  - (iii) provide ACAM with all reasonable access during business hours (on reasonable notice by ACAM of any request for meetings or access) to the management (including executive team), offices, books, records and business operations of any member of the Hartshead Resources Group that ACAM reasonably requires in order to implement the Scheme or for ACAM to prepare for the transition of ownership of the Business, provided that such access is at all times in the presence of a representative of Hartshead Resources, if Hartshead Resources so requires, and ACAM complies with the reasonable requirements of Hartshead Resources in relation to such access;
  - (iv) keep ACAM fully informed of all material developments relating to the Hartshead Resources Group and provide to ACAM weekly management, financial and operational reports (including those provided to the Hartshead Resources Board); and

- (v) share such information as is reasonably required to implement the Proposed Transaction, provided that Hartshead Resources will not be required to provide access under clause 8.6(a) to the extent that to do so would, in the reasonable opinion of Hartshead Resources:
- (1) cause unreasonable disruption to the Business or the operations of the Hartshead Resources Group;
  - (2) result in any member of Hartshead Resources Group breaching an obligation of confidentiality to any person or any applicable law (including privacy laws) or requirement of any Governmental Authority; or
  - (3) be reasonably likely to result in a loss of legal professional privilege.
- (b) Nothing in clause 8.6(a):
- (i) gives ACAM any rights to undertake further due diligence investigations, or any rights as to the decision-making of any member of the Hartshead Resources Group or the Business; or
  - (ii) obliges Hartshead Resources to provide to ACAM or its Representatives any information concerning its Directors' consideration of the Scheme or any Competing Proposal (other than as expressly provided in this deed).

## 8.7. Communications with Governmental Authorities and Regulatory Authorities

- (a) Without limiting clause 3.4(e), each party will promptly notify the other party of any communication it receives from any Governmental Authority or Regulatory Authority in relation to the business or operations of the Hartshead Resources Group, the Key Petroleum Licence, or in connection with the transactions contemplated by the Transaction Documents and, subject to applicable law, provide the other party with a copy of any such communication that is in writing.
- (b) Without limiting clause 8.7(c), each party will keep the other party reasonably informed on a timely basis of the status of discussions with any Governmental Authority or Regulatory Authority relating to the business or operations of the Hartshead Resources Group, the Key Petroleum Licence, or the transactions contemplated by the Transaction Documents.

- (c) Hartshead Resources must not, and must ensure that HHR UK and each of their respective Representatives do not:
- (i) send or permit the sending of any communications to any Governmental Authority or any Regulatory Authority (or any Third Party on its behalf) in connection with the Key Petroleum Licence, or the transactions contemplated by the Transaction Documents without the prior written consent of ACAM (not to be unreasonably withheld); or
  - (ii) participate in any meeting or discussion with any Governmental Authority or Regulatory Authority (or any Third Party on its behalf) without providing ACAM with reasonable prior written notice of the meeting or discussion and a reasonable opportunity for it and its Representatives to attend and participate in that meeting or discussion.
- (d) At the request of ACAM, Hartshead Resources must facilitate introductions or meetings with any Governmental Authority or Regulatory Authority and, where required by ACAM, ensure that any such introduction or meeting is attended by a representative of Hartshead Resources.

## 9. ACTIONS ON AND FOLLOWING IMPLEMENTATION DATE

### 9.1. Reconstitution of the Board of each Member of the Hartshead Resources Group

- (a) On the Implementation Date, but subject to the Scheme Consideration having been paid in full by ACAM in accordance with the Scheme and receipt by Hartshead Resources of signed consents to act, Hartshead Resources must take all actions necessary (and in accordance with the constitution of the relevant Hartshead Resources Group Member, the Corporations Act and the Listing Rules) to appoint the persons nominated by ACAM as new Directors and new directors of each Hartshead Resources Group Member.
- (b) Without limiting clause 9.1(a), on the Implementation Date, Hartshead Resources must procure that, immediately following the appointment of the Directors taking effect under clause 9.1(a):

  - (ii) all outgoing directors of each Hartshead Resources Group Member resign from their office of director; and

- (iii) those persons referred to in sub-clauses 9.1(b)(i) and 9.1(b)(ii) above provide written notices of resignation containing an irrevocable and unconditional release of any claim they may have for loss of office, remuneration or otherwise against any member of the Hartshead Resources Group (other than in their capacity as an employee of, or consultant to, a member of the Hartshead Resources Group, if applicable).

## 9.2. Sequence of actions on the Implementation Date

On the Implementation Date, the transactions that form part of the Scheme and the ancillary transactions contemplated by this deed will be implemented in the following sequence:

  - (i) Hartshead Resources will pay the Scheme Consideration to Scheme Participants in accordance with the Scheme;
  - (ii) the Hartshead Resources Board and the board of each Hartshead Resources Group Member will be reconstituted in accordance with clause 9.1; and
  - (iii) ACAM will acquire all of the Scheme Shares in accordance with the Scheme,

with each such transaction deemed to have occurred simultaneously.

## 10. EXCLUSIVITY

### 10.1. No existing discussions

Other than in relation to the discussions with ACAM in connection with the Proposed Transaction and this deed, Hartshead Resources represents and warrants to ACAM that, as at the date of this deed:

- (a) no member of the Hartshead Resources Group nor any of their respective Representatives is a party to any agreement, arrangement or understanding with any Third Party in connection with, with a view to obtaining or that could reasonably be expected to encourage or lead to, an actual, proposed or potential Competing Proposal; and

- (b) no member of the Hartshead Resources Group nor any of their respective Representatives is participating in any discussions, negotiations or other communications with, and each member of the Hartshead Resources Group and their respective Representatives have ceased any existing negotiations, discussions or other communications with, have ceased to continue to provide any non-public information relating to Hartshead Resources, its Related Bodies Corporate, or any of their businesses and operations to, and have terminated all due diligence data room access granted to, any Third Party in connection with, with a view to obtaining, or that could reasonably be expected to encourage or lead to, an actual, proposed or potential Competing Proposal or to Hartshead Resources not proceeding with the Proposed Transaction.

## 10.2. No-shop

During the Exclusivity Period, Hartshead Resources must not, and must ensure that its Representatives and its Related Bodies Corporate and their Representatives do not, directly or indirectly solicit, invite, initiate, facilitate or encourage any Competing Proposal or any enquiries, proposals, discussions, negotiations or other communications with any Third Party in connection with, with a view to obtaining or that could reasonably be expected to encourage or lead to an actual, proposed or potential Competing Proposal or to Hartshead Resources not proceeding with the Proposed Transaction, or communicate any intention to do any of these things.

## 10.3. No-talk

Subject to clause 10.7, during the Exclusivity Period, Hartshead Resources must not, and must ensure that its Representatives and its Related Bodies Corporate and their Representatives do not, directly or indirectly:

- (a) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding, or facilitate, participate in or continue any negotiations or discussions with any person; or
- (b) announce or communicate any intention, willingness or decision to do or otherwise become obliged to do any of these things,

in connection with, with a view to obtaining or that may reasonably be expected to encourage or lead to an actual, proposed or potential Competing Proposal, even if that person's Competing Proposal was not directly or indirectly solicited, encouraged or initiated by Hartshead Resources or any of its Representatives, or that person has publicly announced the Competing Proposal.

## 10.4. No due diligence

During the Exclusivity Period, and subject to clause 10.7, except with the prior written consent of ACAM, Hartshead Resources must not, and must ensure that its

Representatives and its Related Bodies Corporate and their Representatives do not, directly or indirectly:

- (a) solicit, invite, initiate or encourage, or facilitate or permit, any person (other than ACAM) to undertake due diligence investigations in respect of Hartshead Resources, its Related Bodies Corporate or any of their businesses and operations, in connection with, with a view to obtaining or that could reasonably be expected to encourage or lead to, an actual, proposed or potential Competing Proposal;
- (b) disclose, provide or make available to any person (other than ACAM) or permit any such person to receive any non-public information relating to Hartshead Resources, its Related Bodies Corporate, or any of their businesses and operations, in connection with, with a view to obtaining or that could reasonable be expected to encourage or lead to, an actual, proposed or potential Competing Proposal; or
- (c) announce or communicate any intention, willingness or decision to do or otherwise become obliged to do any of these things.

## 10.5. Notification of approaches

- (a) During the Exclusivity Period, Hartshead Resources must as soon as reasonably practicable (and in any event within 48 hours) notify ACAM in writing if Hartshead Resources, any of its Related Bodies Corporate or any of their respective Representatives becomes aware of:
  - (i) any approach, enquiry, expression of interest, offer or proposal made to, or received by, or any discussion, negotiation, communication or other contact with, any member of the Hartshead Resources Group or any of their respective Representatives in connection with, or that could reasonably be expected to encourage or lead to, any actual, proposed or potential Competing Proposal;
  - (ii) any request made by any person to, or received by, any member of the Hartshead Resources Group or any of their respective Representatives for any non-public information relating to Hartshead Resources, its Related Bodies Corporate, or any of their businesses and operations which any member of the Hartshead Resources Group or any of their respective Representatives has reasonable grounds to suspect may be in connection with, or which may reasonably be expected to encourage or lead to, any actual, proposed or potential Competing Proposal; or
  - (iii) without limiting Hartshead Resources' obligations under clause 10.4, the provision by any member of the Hartshead Resources Group or any of their respective Representatives of any non-public information relating to Hartshead Resources, its Related Bodies Corporate, or any of their

businesses and operations to any person in connection with, or which may reasonably be expected to encourage or lead to, any actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited, and in writing or otherwise.

- (b) A notice given under clause 10.5(a) must be accompanied by all material details of such actual, proposed or potential Competing Proposal, including (as the case may be):
- (i) the identity of the person or persons who were involved in such discussion, negotiation, communication or other contact referred to in clause 10.5(a); and
  - (ii) the material terms and conditions (including price and form of consideration, conditions precedent, timetable and break free or cost recovery or cost sharing arrangement (if any)) of such actual, proposed or potential Competing Proposal (to the extent known).
- (c) During the Exclusivity Period, Hartshead Resources must as soon as reasonably practicable (but in any event within 48 hours) provide to ACAM:
- (i) in the case of written materials, a copy of; or
  - (ii) in any other case, a written statement of,

any material development in relation to, or any non-public information relating to Hartshead Resources, its Related Bodies Corporate, or any of their businesses and operations made available or received by any person in connection with any actual, proposed or potential Competing Proposal and which has not previously been provided to ACAM, and/or any information which was previously notified to ACAM under clause 10.5(a).

## 10.6. Hartshead Resources' response to rival acquirer and ACAM's right to respond

- (a) If Hartshead Resources is permitted under clause 10.7 to engage in activity that would otherwise breach any of clause 10.3 or clause 10.4, Hartshead Resources must first enter into a confidentiality agreement with the person who has made or is otherwise proposing the applicable Competing Proposal (**Rival Acquirer**) on customary terms that are no less favourable in the aggregate to Hartshead Resources than those contained in the Confidentiality Agreement.
- (b) Without limiting clauses 10.2 and 10.3, Hartshead Resources must procure that no Director publicly changes, withdraws, qualifies or adversely modifies or revises their recommendation in favour of the Scheme (including to publicly recommend or otherwise publicly support, any actual, proposed or potential

Competing Proposal or publicly recommend against the Scheme), and must not, and must ensure that none of its Representatives or any of its Related Bodies Corporate and or any of their Representatives enters into any agreement, arrangement or understanding (whether or not in writing) or otherwise becomes obliged to undertake or give effect to, or to implement, any actual, proposed or potential Competing Proposal, unless:

- (i) the Directors have, acting in good faith, made the determinations set out in clause 10.7(b);
- (ii) Hartshead Resources has provided written notice to ACAM stating that it is given for the purposes of this clause 10.6 and setting out:
  - (1) all of the material terms and conditions of the Competing Proposal (including, to the extent known, the identity of the person or persons making the Competing Proposal and the price and form of consideration, conditions precedent, timetable and break free or cost recovery or cost sharing arrangement (if any) of such Competing Proposal);
  - (2) the determinations made under clause 10.7(b); and
  - (3) the reasons for the Hartshead Resources Board's determination that such Competing Proposal is, or is reasonably likely to be, a Superior Proposal (including the specific terms of such Competing Proposal that the Hartshead Resources Board consider would, if completed substantially in accordance with its terms, be reasonably likely to be more favourable to Hartshead Resources Shareholders (as a whole) than the Scheme); and
- (iii) within five Business Days of receiving notice from Hartshead Resources under clause 10.6(b)(ii), either:
  - (1) ACAM does not announce or make in writing to Hartshead Resources a matching, equivalent or superior proposal or other counter-proposal to the terms of such Competing Proposal (**ACAM Counterproposal**); or
  - (2) ACAM has announced or made an ACAM Counterproposal and the Directors determine, acting in good faith and after consultation with Hartshead Resources' financial adviser and after receiving advice from Hartshead Resources' external legal counsel practising in the area of corporate law, that such ACAM Counterproposal would not result in an outcome for Hartshead Resources Shareholders that is at least as favourable as the outcome that would result from the Competing Proposal, taking into account all respective terms and conditions and other aspects (including the

price and form of consideration, conditions precedent, timetable and break free or cost recovery or cost sharing arrangement (if any)) of the ACAM Counterproposal and the Competing Proposal.

- (c) In the event that the Directors have made a determination that an ACAM Counterproposal would result in an outcome for Hartshead Resources Shareholders that is at least as favourable as the outcome that would result from the Competing Proposal, Hartshead Resources must:
- (i) promptly (and in any event within 24 hours after making the determination) deliver to ACAM a notice in writing setting out such determination and the reasons for it; and
  - (ii) use its best endeavours to:
    - (1) agree all amendments to this deed (and, if applicable, the Scheme and the Deed Poll) which are necessary to implement such ACAM Counterproposal as soon as reasonably practicable and for a period of not less than three Business Days after Hartshead Resources delivers the notice under clause 10.6(c)(i) to ACAM; and
    - (2) procure that each Director recommends (unanimously with all the other Directors) such ACAM Counterproposal to Hartshead Resources Shareholders and does not recommend such Competing Proposal to Hartshead Resources Shareholders.
- (d) Hartshead Resources agrees that each new Competing Proposal or successive material variation or modification of any Competing Proposal will constitute a new Competing Proposal for the purposes of the requirements under this clause 10.6 and Hartshead Resources must comply with clause 10.6 in respect of any new Competing Proposal.

## 10.7. Fiduciary exception

The restrictions in clause 10.3 and clause 10.4 do not apply to the extent they restrict Hartshead Resources or any Director from taking or not taking any action with respect to a Competing Proposal (in relation to which there has been no contravention of this clause 10) provided that:

- (a) the Competing Proposal is bona fide and is made by or on behalf of a person that the Directors reasonably consider is of sufficient commercial standing to implement the Competing Proposal; and

- (b) the Directors have determined in good faith after:
- (i) consultation with Hartshead Resources' financial advisers that the Competing Proposal is or may reasonably be expected to lead to a Superior Proposal; and
  - (ii) receiving advice from Hartshead Resources' external legal counsel practising in the area of corporate law, that taking the action or refusing to take the action (as the case may be) with respect to the Competing Proposal would be likely to constitute a breach of the fiduciary or statutory obligations of the Directors.

## 11. BREAK FEE

### 11.1. Background

- (a) ACAM and Hartshead Resources acknowledge that, if they enter into this deed and the Proposed Transaction is subsequently not implemented, ACAM (or its Related Bodies Corporate) will incur significant costs, including those set out in clause 11.4.
- (b) In the circumstances referred to in clause (a), ACAM has requested from Hartshead Resources that provision be made for the payments outlined in clause 11.2, without which it would not have entered into this deed or otherwise agreed to implement the Proposed Transaction.
- (c) Hartshead Resources acknowledges that the implementation of the Proposed Transaction will provide benefits to it and its shareholders such that it is appropriate for it to agree to the payments referred to in clause 11.2 in order to secure ACAM's participation in the Proposed Transaction.

### 11.2. Break Fee triggers

Hartshead Resources undertakes to pay ACAM the Break Fee without withholding (other than a withholding required to be made by law) or set off if:

- (a) **(change of recommendation or voting intention statement)** during the Exclusivity Period, any Director:
  - (i) does not recommend the Scheme or withdraws, qualifies or adversely modifies an earlier recommendation, or approves, recommends or makes an announcement in support of a Competing Proposal, or announces an intention to do any of these acts; or
  - (ii) does not state that they intend to vote any Hartshead Resources Shares that they directly or indirectly own or control in favour of the Scheme at

the Scheme Meeting or withdraws, qualifies or adversely modifies an earlier statement that they intend to vote in favour of the Scheme at the Scheme Meeting,

and ACAM has terminated this deed in accordance with clause 16.1(d), except:

- (iii) where Hartshead Resources has terminated this deed under clause 16.1(b); or
  - (iv) in circumstances contemplated in clauses 7.3(c) or 7.3(d) (other than where the conclusion or withdrawal is due (in whole or in part) to a Superior Proposal being announced);
- (b) (**Competing Proposal**) during the Exclusivity Period a Competing Proposal is publicly announced, made or becomes open for acceptance and the proponent of that Competing Proposal (either alone or together with any Associates of the proponent of that Competing Proposal), within 12 months of the Competing Proposal being publicly announced, being received by Hartshead Resources or becomes open for acceptance (whichever is earliest), acquires voting power of (or economic interest in) more than 50% of all Hartshead Resources Shares and that Competing Proposal is, or becomes, free from any conditions (or if the Competing Proposal is a scheme of arrangement, the scheme becomes effective);
- (c) (**Superior Proposal**) a Superior Proposal is received by Hartshead Resources or publicly announced at any time during the Exclusivity Period and Hartshead Resources terminates this deed in accordance with clause 16.1(c); or
- (d) (**termination by ACAM**) ACAM has validly terminated this deed in accordance with clause 16.1(b)(i).

### 11.3. Payment of Break Fee

- (a) A demand by ACAM for payment of the Break Fee under clause 11.2 must:
- (i) be in writing;
  - (ii) be made after the occurrence of the event in clause 11.2 giving rise to the right to the payment of the Break Fee;
  - (iii) state the circumstances which give rise to the demand; and
  - (iv) nominate an account into which Hartshead resources is to pay the Break Fee.
- (b) Hartshead Resources must pay the Break Fee into the account nominated by ACAM within 20 Business Days after receiving a demand for payment under clause 11.3(a) where ACAM is entitled under clause 11.2 to the Break Fee.

## 11.4. Basis of Break Fee

The payment by Hartshead Resources of the Break Fee under clause 11.2 has been calculated to compensate ACAM for costs and expenses incurred by it, including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Proposed Transaction (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Proposed Transaction or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Proposed Transaction; and
- (d) out of pocket expenses incurred by the party and its employees, advisers and agents in planning and implementing the Proposed Transaction,

and the parties agree that:

- (e) the costs actually incurred by ACAM will be of such a nature that they cannot all be accurately ascertained; and
- (f) the Break Fee is a genuine and reasonable pre-estimate of those costs, and each party represents and warrants to the other party that it has received legal advice from its legal advisers in relation to the operation of this clause 11.

## 11.5. Break Fee gross-up

If Hartshead Resources is liable to pay the Break Fee to ACAM and:

- (a) is required to deduct an amount of Tax from that payment; or
- (b) the Break Fee is treated as assessable under a Tax law such that:
  - (i) the payment is subject to Tax or increases the Tax payable by ACAM (or any partner of ACAM); or
  - (ii) reduces the losses otherwise available to ACAM (or any partner of ACAM),

then the payment must be increased by such additional amount equal to:

- (c) the Tax payable by ACAM (and every partner of ACAM); and
- (d) the Tax effect of any reduced Tax losses of ACAM (and every partner of ACAM) resulting from payment of the Break Fee,

as is necessary to ensure that the net amount retained by ACAM (and every partner of ACAM) after deduction of any Tax and deduction of the Tax effect of any reduced Tax losses, or payment of the Tax or increased Tax equals the amount ACAM (and every partner of ACAM) would have received and retained had the Break Fee not been subject to any deduction of Tax, Tax, increased Tax or reduction of losses.

## 11.6. Payment conditions

- (a) No amount is payable by Hartshead Resources under this clause 11 if the Scheme becomes Effective, notwithstanding the occurrence of an event in clause 11.2, and any amount paid under this clause 11 in circumstances where the Scheme becomes Effective is immediately repayable by ACAM.
- (b) Notwithstanding anything else in this deed an amount payable by Hartshead Resources under this clause 11 is payable only once.
- (c) For the avoidance of doubt, but without limiting clause 11.2, the Break Fee will not be payable merely because the Scheme is not approved by the Hartshead Resources Shareholders at the Scheme Meeting.

## 11.7. Other Claims

- (a) Subject to clause 11.8 and in the absence of fraud, fraudulent misrepresentation or wilful concealment, the maximum aggregate amount that Hartshead Resources is required to pay in relation to this deed (including any breach of this deed) is the Break Fee and in no event will the aggregate liability of Hartshead Resources in connection with this deed exceed the Break Fee. Notwithstanding any clause in this deed, if an amount is paid by Hartshead Resources under clause 11.2, that amount is received by ACAM in complete settlement of any and all Claims that ACAM may have against Hartshead Resources in respect of the Proposed Transaction or in connection with this deed.
- (b) Subject to clauses 11.7(c) and 11.8, and in the absence of fraud, fraudulent misrepresentation or wilful concealment, the maximum aggregate amount that ACAM is required to pay in relation to this deed (including any breach of this deed) is an amount equal to the Break Fee and in no event will the aggregate liability of ACAM in connection with this deed exceed an amount equal to the Break Fee.
- (c) Nothing under this clause 11 or otherwise will limit:
  - (i) ACAM's liability or obligations under the Deed Poll; or
  - (ii) a party's or a Shareholder's ability to apply to a court for specific performance or injunctive relief.

## 11.8. Compliance with law

- (a) If the Court or Regulatory Authority determines that an amount paid or payable under clause 11.2 is an Impugned Amount and:
  - (b) the period for lodging an application for review or a notice of appeal of that decision has expired without such application or notice having been lodged; or
  - (c) an application for review or a notice of appeal has been lodged with the Court or Regulatory Authority within the prescribed period and the relevant review panel or court also determines that the amount is an Impugned Amount,
- then:
- (d) the undertaking under clause 11.2 does not apply to the extent of the Impugned Amount; and
  - (e) if ACAM has been paid an Impugned Amount under this deed, it must refund that Impugned Amount to Hartshead Resources within 10 Business Days of the expiry of the period referred to in 11.8(b) or the determination referred to in 11.8(c) (as applicable).
  - (f) The parties must not make or cause to be made, any application to the Takeovers Panel or a court of competent jurisdiction for or in relation to a declaration or other order that an amount paid or payable under clause 11.2 is an Impugned Amount.

## 12. REPRESENTATIONS AND WARRANTIES

### 12.1. Hartshead Resources representations and warranties

Hartshead Resources represents and warrants to ACAM that:

- (a) **(status)** it, and each member of the Hartshead Resources Group is a validly existing corporation registered under the laws of the place of its incorporation;
- (b) **(power)** it, and each member of the Hartshead Resources Group, has full legal capacity and power to:
  - (i) own its property and to carry on its Business; and
  - (ii) in respect of Hartshead Resources only, enter into this deed and carry out the transactions that this deed contemplates in accordance with its terms;

  - (ii) agrees to make or procure the payment of the Scheme Consideration in accordance with this clause 6.

## 6.2. Satisfaction of obligations in relation to Scheme Consideration

The obligation of ACAM to make or procure the payment of the Scheme Consideration will be satisfied by ACAM depositing or procuring the deposit of, no later than 5.00pm on the day that is two Business Days before the Implementation Date, in Immediately Available Funds, the aggregate amount of the Scheme Consideration payable to the relevant Scheme Participants (less any amount withheld in accordance with the terms of the Scheme and the Scheme Implementation Deed (as applicable)) into the Trust Account (except that the amount of any interest on the amount deposited will be to ACAM's account).

## 6.3. Payment of Scheme Consideration

- (a) On the Implementation Date, and subject to ACAM having deposited the requisite funds in accordance with clause 6.2, Hartshead Resources must pay to each relevant Scheme Participant an amount equal to the Scheme Consideration for each Scheme Share transferred to ACAM on the Implementation Date by that Scheme Participant.
- (b) The obligations of Hartshead Resources under clause 6.3(a) will be satisfied by Hartshead Resources (in its absolute discretion, and despite any election referred to in clause 6.3(b)(i) or authority referred to in clause 6.3(b)(ii) made or given by the relevant Scheme Participant):
  - (i) paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme Participant, where the Scheme Participant has made a valid election prior to the Record Date in accordance with the requirements of the Registry to receive dividend payments from Hartshead Resources to that bank account;
  - (ii) paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme Participant by an appropriate authority from the Scheme Participant to Hartshead Resources or the Registry; or
  - (iii) dispatching, or procuring the dispatch of, a cheque drawn on an Australian bank for the relevant amount in Australian currency to the Scheme Participant by pre-paid ordinary post (or, if the address of the Scheme Participant in the Register is outside Australia, by pre-paid airmail post) to their address recorded in the Register on the Record Date.

- (c) In the event that:
- (i) a Scheme Participant does not have a Registered Address and no account has been notified in accordance with clause 6.3(b)(i) or 6.3(b)(ii) or a deposit into such an account is rejected or refunded; or
  - (ii) a cheque issued under clause 6.3(b)(iii) has been cancelled in accordance with clause 6.4(a)(i),

Hartshead Resources as the trustee for the Scheme Participant may credit the amount payable to the relevant Scheme Participant to a separate bank account of Hartshead Resources (**Separate Account**) to be held until the Scheme Participant claims the amount or the amount is dealt with under the *Unclaimed Money Act 1990* (WA). To avoid doubt, if the amount is not credited to a Separate Account, the amount will continue to be held in the Trust Account until the Scheme Participant claims the amount or the amount is dealt with under the *Unclaimed Money Act 1990* (WA). Until such time as the amount is dealt with under the *Unclaimed Money Act 1990* (WA), Hartshead Resources must hold the amount on trust for the relevant Scheme Participant, but any interest or other benefit accruing from the amount will be to the benefit of ACAM. An amount credited to the Separate Account or Trust Account (as applicable) is to be treated as having been paid to the Scheme Participant when credited to the Separate Account or Trust Account (as applicable). Hartshead Resources must maintain records of the amounts paid, the people who are entitled to the amount and any transfers of the amounts.

- (d) To the extent that, following satisfaction of Hartshead Resources' obligations under clause 6.3(c), there is a surplus in the amount held in the Trust Account, that surplus may be paid by Hartshead Resources to ACAM.

## 6.4. Unclaimed Monies

- (a) Hartshead Resources may cancel a cheque issued under clause 6.3 of this Scheme if the cheque:
  - (i) is returned to Hartshead Resources or the Registry; or

- (b) During the period of 1 year commencing on the Implementation Date, on request from a Scheme Participant, Hartshead Resources must reissue a cheque that was previously cancelled under this clause 6.4.
- (c) The Unclaimed Money Act will apply in relation to any Scheme Consideration which becomes “unclaimed money” (as defined in section 3 of the *Unclaimed*

*Money Act 1990 (WA)*). Any interest or other benefit accruing from the unclaimed Scheme Consideration will be to the benefit of ACAM.

## 6.5. Fractional entitlement to Scheme Consideration

Where the calculation of the aggregate amount Scheme Consideration to be paid to a particular Scheme Participant would result in the Scheme Participant becoming entitled to a fraction of a cent, the amount of Scheme Consideration paid to that Scheme Participant will be rounded down to the nearest \$0.01.

## 6.6. Foreign resident capital gains tax withholding

- (a) If ACAM determines, having regard to professional advice, that ACAM is required by Subdivision 14-D of Schedule 1 of the TAA (**Subdivision 14-D**) to pay any amounts to the Commissioner in respect of the acquisition of Scheme Shares from certain Scheme Participants, ACAM is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Participants, and must remit such amounts to the Commissioner. The aggregate sum payable to Scheme Participants will not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Participants will be taken to be in full and final satisfaction of the amounts owing to those Scheme Participants.
- (b) ACAM acknowledges and agrees that it will not pay any amounts to the Commissioner under clause 6.6(a) with respect to a Scheme Participant where ACAM:
  - (i) receives a Scheme Participant Declaration from the Scheme Participant prior to the Implementation Date; and
  - (ii) does not know that the Scheme Participant Declaration is false.
- (c) Hartshead Resources agrees ACAM may approach the ATO to obtain clarification as to the application of Subdivision 14-D to this Scheme and will provide all information and assistance ACAM reasonably requires in making any such approach.

The parties agree to take all actions that they agree in writing (each acting reasonably) are necessary or desirable following that consultation which may include, without limitation, making amendments to this document and the Deed Poll to ensure that relevant representations are obtained from Scheme Participants.

## 6.7. Orders of a Court or Governmental Authority

- (a) Hartshead Resources may deduct and withhold from any consideration which would otherwise be provided to a Scheme Participant in accordance with this clause 6, any amount which Hartshead Resources and ACAM agree in writing (each acting reasonably) is required to be deducted and withheld from that consideration under any applicable law, including any order, direction or notice made or given by a court of competent jurisdiction or by another Governmental Authority.
- (b) To the extent that amounts are so deducted or withheld, such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted to the appropriate taxing agency.
- (c) If written notice is given to Hartshead Resources of an order, direction or notice made or given by a court of competent jurisdiction or by another Governmental Authority that:
  - (i) requires consideration which would otherwise be provided to a Scheme Participant in accordance with this clause 6 to instead be paid or provided to a Governmental Authority or other third party, then Hartshead Resources will be entitled to procure that provision of that consideration is made in accordance with that order, direction or notice (and payment or provision of that consideration in accordance with that order, direction or notice will be treated for all purposes under this Scheme as having been paid or provided to that Scheme Participant); or
  - (ii) prevents consideration being provided to any particular Scheme Participant in accordance with this clause 6, or the payment or provision of such consideration is otherwise prohibited by applicable law, Hartshead Resources will be entitled to (as applicable) direct ACAM not to pay or procure the payment of such Scheme Consideration as that Scheme Participant would otherwise be entitled to under this clause 6, until such time as payment or provision of the consideration in accordance with this clause 6 is permitted by that order or direction or otherwise by law,

and the payment or retention by Hartshead Resources (or the Hartshead Resources Registry) will constitute the full discharge of Hartshead Resources' obligations under clause 6.3 with respect of the amount so paid or retained until, in the case of clause 6.7(c)(ii), it is no longer required to be retained.

## 6.8. Joint holders

In the case of Scheme Shares held in joint names:

After the Record Date, each entry current on the Register as at the Record Date relating to a Scheme Share will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Scheme Shares relating to that entry.

## 7.6. Details of Scheme Participants
