

September 2025 - Quarterly Activities Report

Western Australian critical metals explorer, **DMC Mining Limited (ASX: DMM) (DMC or the Company)** is pleased to provide its September 2025 Quarterly Activities Report.

KEY HIGHLIGHTS:

Licensing Status - Firawa & Labe Projects - Guinea

- The Company's **existing granted Reconnaissance Licences** over the Firawa Project remain **active and valid**.
- The Company's applications for Exploration Licences for the Firawa Project and Labe Project remain intact - **confirmed in writing by MoM**, and are progressing through the formal approval process.
- Guinea's **public cadastral system**, (which is updated daily) continues to reflect both the Company's granted Reconnaissance Licences and pending Exploration License applications as **valid**.
- The Company continues to engage in regular dialogue with senior government officials, including representatives of the Ministry of Mines, to support the advancement of the approval process.
- The Company remains fully committed to its critical minerals development strategy in Guinea and is maintaining all necessary operational readiness to recommence field activities upon licence issuance.
- **Based on information available to it and ongoing discussions with the Guinean Ministry of Mines and Geology, the Company has no reason to believe that the Exploration Licences will not be granted. The Company expects the Exploration Licences to be issued shortly.**

Chapters 1 & 2 - Re-Admission

- On 24 June 2024, the Company announced that it had entered into binding agreements to acquire 100% of the Firawa Uranium-Rare Earth Element (**REE**)-Nb project in southeast Guinea (**Firawa U-REE-Nb Project**) and the Labé Uranium project in northern Guinea (**Labé U Project**). (**Proposed Transaction**). (Refer ASX Release 24 June 2024)
- The Firawa Uranium-REE-Nb Project is a **carbonatite style**¹ deposit and has the **potential to be a globally significant deposit, based on scale potential and mineralised grades**.

¹ Refer to DMC Mining's ASX announcement dated 24 June 2024.

- The Company's shares remain suspended until the Proposed Transaction, above, is completed.
- During the quarter, the Company withdrew its Prospectus dated 22 August 2024 following delay's in the granting of Exploration Licences for the Firawa and Labe Projects in Guinea.
- The Company intends to lodge a new Prospectus that is aligned with ASX's requirements for re-admission.
- The Company remains in regular and constructive dialogue with the ASX to progress its re-compliance and re-listing. The Company remains committed to progressing the Proposed Transaction and achieving re-listing as soon as practical.
