

ASX Announcement 8 January 2026

Expiry of Quoted Options (GA80)

GoldArc Resources Limited (ASX:GA8) ('GoldArc' or 'the Company') advises that 60,094,971 quoted options exercisable at \$0.18 each (ASX:GA80) will expire at 5.00pm (WST) on Sunday, 1 February 2026 (Expiry Date).

Clause 5.3 of the Appendix 6A of the ASX Listing Rules provides that a listed entity is not required to send a notice to holders of quoted options that are about to expire where the options are substantially out of the money (i.e., where the closing price for the underlying securities on the trading day is 20 business days before the expiry is less than 50% of the option exercise price and the highest market price at which the underlying securities have traded on the ASX in the 6 months preceding that trading day is less than 75% of the option exercise price).

The Company advises that options expiry notices will not be sent to the holders of the Options as the Options are substantially out of the money. In accordance with Clause 5.2 of the Appendix 6A of the Listing Rules, the Company provides the following information:

- The number of Options to which this notice applies are 60,094,971 and for every Option exercised, the holder of the Option will be issued one fully paid ordinary share ("Share").
- The exercise price of the Options is \$0.18 each.
- The due date for the payment of the exercise of the Options is 1 February 2026.
- If the Options are not exercised and payment for the exercise of the Option is not received by the Expiry Date, the Options will automatically lapse, and all rights attached to the Options will cease.
- The quotation of Options on the ASX will end on Friday, 23 January 2026, being four business days before the Expiry Date.
- The last closing market price of the Shares (being the underlying securities to which the Options relate) was \$0.067 on 8 January 2026.
- During the three months immediately before the date of this notice:
 - The lowest market price of the Shares was \$0.073 per Share on various dates between 8 October 2025 and 8 January 2026; and
 - The highest market price of the Shares was \$0.028 per Share on various dates between 8 October 2025 and 8 January 2026.
- The exercise of the options is not underwritten.

- ENDS -

Forward Looking Statements Disclaimer

This announcement contains certain “forward-looking statements” and comments about future matters. Forward-looking statements can generally be identified by the use of forward-looking words such as, “expect”, “anticipate”, “likely”, “intend”, “should”, “estimate”, “target”, “outlook”, and other similar expressions and include, but are not limited to, indications of, and guidance or outlook on, future events, project and growth opportunities, production, resource growth and discovery, exploration activities, drilling programs or the financial position or performance of the Company. You are cautioned not to place undue reliance on forward-looking statements. Any such statements, opinions and estimates in this release speak only as of the date hereof, are preliminary views and are based on assumptions and contingencies subject to change without notice. Forward-looking statements are provided as a general guide only. There can be no assurance that actual outcomes will not differ materially from these forward-looking statements. Any such forward-looking statement also inherently involves known and unknown risks, uncertainties and other factors and may involve significant elements of subjective judgement and assumptions that may cause actual results, performance and achievements to differ. Except as required by law the Company undertakes no obligation to finalise, check, supplement, revise or update forward-looking statements in the future, regardless of whether new information, future events or results or other factors affect the information contained in this announcement.

Competent Persons Statement

The information in this announcement that relates to the Orion-Sapphire Mineral Resources is contained in the ASX announcement released on 28 May 2024. The information in this announcement that relates to the gold Mineral Resources for the Mt Stirling Project is contained in the ASX announcements released on 25 February 2019, 29 January 2020 and 5 September 2022. The Company confirms that it is not aware of any new information or data that materially affects the information in the relevant market announcements, and that all material assumptions and technical parameters underpinning the estimates in the relevant announcement continue to apply and have not materially changed. The Company confirms that the form and context in which the Competent Persons findings are presented have not been materially modified from the original announcements.
