

# ASX Announcement

ASX: AAR 12 JANUARY 2026

## FEYSVILLE: GRANT OF MINING LEASE M26/846

**Astral Resources NL (ASX: AAR) (Astral or the Company)** is pleased to advise that Mining Lease 26/846 (**M26/846**), part of the Feysville Gold Project, has been granted. As outlined in blue in Figure 1, M26/846 includes the Think Big and Rogan Josh Deposits.

Astral intends to immediately commence work on applying for a mining lease to incorporate the Kamperman Deposit. This process is relatively straightforward and is expected to be completed by the June 2026 Quarter at the latest.

Importantly, the grant of M26/846 paves the way for Astral to progress the early production opportunity at the Think Big Deposit (refer to ASX announcement dated 20 October 2025).

## FEYSVILLE GOLD PROJECT

The Feysville Gold Project (**Feysville**) is located within the north-north-west trending Norseman – Wiluna Greenstone Belt within the Kambalda Domain of the Archean Yilgarn Craton, approximately 14km south of the KCGM Super Pit in Kalgoorlie.

Significant gold and nickel mineralisation occurs throughout the belt, including world-class deposits such as the Golden Mile Super Pit in Kalgoorlie owned by Northern Star Resources Limited (ASX: NST) and the St Ives Gold Mine south of Kambalda owned by Gold Fields Limited, as well as the substantial Beta Hunt Gold Mine owned by Westgold Resources Limited (ASX: WGX).

Feysville hosts an MRE of **5Mt at 1.2g/t Au for 196koz<sup>1</sup>** of contained gold at the Kamperman, Think Big and Rogan Josh deposits. The Mandilla PFS demonstrated that Feysville is a valuable source of satellite ore feed for a future operation based at Astral's flagship Mandilla Gold Project, contributing **3.7Mt at 1.1g/t Au for 132koz** towards the production target of **1.41Moz<sup>2</sup>**.

Locally, Feysville has been interpreted to contain upthrust ultramafics, emplaced within a sequence of volcanic sediments (the Black Flag sediment group), granitic intrusions, mafic basalts, gabbro and andesite.

A map of the Feysville Gold Project identifying tenements and deposits/prospects on local area geology, as well as the newly granted Mining Lease, is set out in Figure 2.

<sup>1</sup> Feysville JORC 2012 Mineral Resource Estimate: 4Mt at 1.3g/t Au for 144koz Indicated Mineral Resources and 1Mt at 1.1g/t Au for 53koz Inferred Mineral Resources (refer to Astral ASX announcement dated 1 November 2024).

<sup>2</sup> Mandilla Project Pre-Feasibility – Maiden Ore Reserve (refer to Astral ASX Announcement dated 25 June 2025).

## Competent Person's Statements

### Feysville

The information in this announcement that relates to the Ore Reserves for the Feysville Gold Project were announced in the Company's ASX announcement dated 25 June 2025 titled "Mandilla Project Pre-Feasibility Study – Maiden Ore Reserve". The Company confirms that it is not aware of any new information or data that materially affects the information included in the ASX announcement dated 25 June 2025 and all material assumptions and technical parameters underpinning the estimates in the relevant market announcement continue to apply and have not materially changed. The Company confirms the form and context in which Competent Persons' findings are presented have not materially changed from previous market announcements. The reports are available to view on the ASX website and on the Company's website at [www.astralresources.com.au](http://www.astralresources.com.au).

The information in this announcement that relates to the Mineral Resources for the Feysville Gold Project reported in this announcement were announced in the Company's ASX announcement dated 1 November 2024 titled "Astral's Group Gold Mineral Resource Increases to 1.46Moz with Updated Feysville MRE". The Company confirms that it is not aware of any new information or data that materially affects the information included in the ASX announcement dated 1 November 2024 and all material assumptions and technical parameters underpinning the estimates in the relevant market announcement continue to apply and have not materially changed. The Company confirms the form and context in which Competent Persons' findings are presented have not materially changed from previous market announcements. The reports are available to view on the ASX website and on the Company's website at [www.astralresources.com.au](http://www.astralresources.com.au).

## Previously Reported Results

### Exploration Results

The information in this announcement that relates to Exploration Results is extracted from the ASX Announcements (Original Announcements), which have been previously announced on the Company's ASX Announcements Platform and the Company's website at [www.astralresources.com.au](http://www.astralresources.com.au). The Company confirms that it is not aware of any new information or data that materially affects the information included in the Original Announcements and that all material assumptions and technical parameters underpinning the estimates in the Original Announcements continue to apply and have not materially changed. The Company confirms that the form and context in which the Competent Persons' findings are presented have not been materially modified from the original announcement.

### Pre-Feasibility Study

The information in this announcement that relates to the production target for the Mandilla Gold Project was reported by Astral in accordance with ASX Listing Rules and the JORC Code (2012 edition) in the announcement "Mandilla Project Pre-Feasibility Study – Maiden Ore Reserve" released to the ASX on 25 June 2025. A copy of that announcement is available at [www.asx.com.au](http://www.asx.com.au). Astral confirms it is not aware of any new information or data that materially affects the information included in that market announcement and that all material assumptions and technical parameters underpinning the production target, and the related forecast financial information derived from the production target in that market announcement continue to apply and have not materially changed. Astral confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from that market announcement.

## Forward-Looking Statements

This announcement may include forward-looking statements. Forward-looking statements include, but are not limited to, statements preceded by words such as "planned", "expected", "projected", "estimated", "may", "scheduled", "intends", "anticipates", "believes", "potential", "could", "likely", "nominal", "conceptual", "propose", "will", "forecast", "estimate", and similar expressions. Forward-looking statements are only predictions and are subject to risks, uncertainties and assumptions which are outside the control of Astral. Neither the Company, its officers nor any other person gives any warranty, representation, assurance or guarantee that the events or other matters expressed or implied in this presentation (including the forward-looking statements) will actually occur. Actual values, results or events may be materially different to those expressed or implied in this presentation. Given these uncertainties, recipients are cautioned not to place reliance on forward-looking statements.

*Any forward-looking statement in this presentation speak only at the date of issue of this report. Subject to any continuing obligations under applicable law and the ASX Listing Rules, Astral does not undertake any obligation to update or revise any information or any of the forward-looking statements in this report or any changes in events, conditions or circumstances on which any such forward-looking statement is based.*
