ASX Announcement

Delay in Lodgement of Annual Report for FY 2025

Admiralty Resources NL (ASX: ADY) ('Admiralty' or the 'Company') advises that the Audited Annual Financial Statements ("AAFS") for the year ended 30 June 2025 are expected to be delayed.

ADY is involved with the Mariposa Project (refer to ASX announcement announced on 25 June 2024), where the Company entered into a financing arrangement with Hainan Xinlei Mining Management Co Ltd (Hainan). As a result of the commencement of trial production at the Mariposa project (announced on 28 August 2024), the company, with its specialist accounting advisors (EY Chile) and its auditors (RSM), have been resolving the applicability of the most appropriate accounting standards and associated disclosure. These discussions have led to the delay of the AAFS.

The Company anticipates being placed into a compulsory trading suspension from 1 October 2025 due to non-lodgement of its AAFS by the required date.

The Board remains committed to maintaining transparency and will update the market on the revised timing for the AAFS lodgement as soon as practicable. The Company will continue to update shareholders in line with its continuous disclosure obligations.

The release of this announcement was authorised by the Board of the Company and released by the Company Secretary.
